

CERTIFICATE OF ACHIEVEMENT WITH HONOURS

This certificate is awarded to

Alona Kalko

for successful completion of

Web Development II (Advanced)

OUTLINE:

This course focuses on advanced web development and the basics of the React framework. Students will learn how to build complex web applications, handle application state, implement seamless routing, integrate APIs, and optimise performance according to industry standards. There will be several opportunities for students to build practical skills in class, as well as in a cumulative final project.

CONTENTS:

- React components
- TypeScript
- Component lifecycle and props
- State management: hooks and forms
- Practical application development
- Styling and user experience
- Testing and quality assurance
- Debugging and troubleshooting

This course was held for a period of hours from 10/09/2024 to 14/12/2024.

This **Certificate of Achievement With Honours** is awarded in recognition of the student's exceptional commitment to mastering all learning objectives. The student exceeded the expectations through a final project, showcasing outstanding skill and dedication.

Certification Levels

Achievement with Honours: Exceeded all objectives with excellence.

Achievement: Met all objectives successfully.

Participation: Attended and engaged in sessions.

Munich, 17/12/2024

Anne Kjaer Bathel
